## Projects & Events

### About the Club

The Rotary Club of Tukwila (Washington) was founded in 1989 by a group of local men and women to expand their belief in the Rotary motto of "Service Above Self".

This Rotary Club prides itself on the genuine spirit of community service of its club members.

While a relatively small club by many standards, our group of twenty plus energetic members has brought numerous recognitions to our club by the regional, national, and international Rotary association as well as many local civic, government and private organizations.

*"Rotary's slogan "Service above Self" is how I live my life. I am proud to be a Rotarian."*
